

Mission Statement

“To shape and enhance community well-being, we work cooperatively to provide support services, educational, recreational and leisure opportunities for lifelong learning.”

Objectives

- To provide and encourage effective opportunities for members of the community to participate in a range of cultural, social, educational, active, passive, structured and non-structured, and other activities in and from the Centre.
- To facilitate community participation and initiatives at all levels of planning and management of Centre activities.
- To provide facilities in which members of the community may devise and develop various forms of recreation, leisure, education, information, advocacy and support services.
- To foster a sense of belonging to a caring community in which members are accepting and supporting of each other, thus, endeavouring to provide opportunities which will extend into their families and into the wider community.
- To enable and provide activities of a benevolent nature without discrimination, including support practical assistance and relief of those people in the community who are economically, socially and culturally disadvantaged.
- To do all such other things as may be incidental to the attainment of such objectives.
